

Packed with features for today's demanding lifestyles

The new *Invacare Perfecto₂ V* Oxygen Concentrator is an economical addition to the premier Invacare stationary concentrator line. This full 5-litre concentrator is small, quiet and lightweight and incorporates **SensO₂** oxygen sensor technology. The **Perfecto₂ V** is your cost-effective home oxygen concentrator, and comes with no scheduled maintenance for 3 years.

Trusted Solutions, Passionate People

Yes, you can.®

Quiet and Lightweight

Innovative techniques reduce the compressor and purge sounds to an almost undetectable level. By utilising the latest advancement in sieve material **Perfecto₂ V** has reduced weight whilst maintaining the highest oxygen purity at all flow rates.

High-performance, safe and reliable

All of Invacare's rigorously tested safety features are incorporated into this latest evolution of our proven line of home oxygen concentrators. The durable product design and construction ensures years of reliable service with a minimum of fuss.

Features and accessories

No scheduled maintenance for 3 years

Provider maintenance is effortless and fast.

Simple for the user

All device controls are on the front panel and within easy reach of the user.

HomeFill compatible

Simplify your home oxygen business with **HomeFill** - the cylinder refilling system designed with patients in mind.

Paediatric flowmeter

50 to 750cc stand alone device for accurate low flow delivery.
(Art. no.: 1514913)

Technical data

Perfecto₂ V	305 mm	380 mm	585 mm
			18.2 kg
Perfecto₂ V	230 V, 50 Hz (±10%)	320 W	< 40dB(A) (TÜV certified)
			87 - 96%
Perfecto₂ V	34.5 kPa ± 10%	0.5 - 5.0 LPM	Up to 2500m
			ISO8359, MDD

SensO₂-System

	O₂-concentration higher than 85% - green light - Normal
	between 73% and 85% - yellow light - Check filter and flow rate
	lower than 73% - red light & audible alarm - Call service technician

Service Interval

No provider routine preventative maintenance for 3 years, replace filters as required.
